# *AGILITY* | MOBILE SALES

Providing better service than your competition.

Agility | Mobile Sales - delivering more responsive service with real-time access to account and inventory data – anytime, anywhere.

Outside reps have instant answers regarding open orders, past-due A/R, available stock, and job-specific pricing. They can even create quotes and sales orders with quick and easy taps on their mobile device!

With on-the-spot service, customers receive products faster and revenue arrives in your pocket sooner.

BENEFITS

### IMMEDIATE ANSWERS TO CUSTOMER QUESTIONS

- View open orders, quotes, credit memos, and RMAs
- A/R aging buckets organizes past-due balances
- Search for a specific invoice number or customer PO
